'HOW-TO' GUIDE FOR ONLINE SEAT SELECTIONS

IMPORTANT NOTES AND REMINDERS

This online process puts the confirmation/selection of season tickets directly in the hands of Hokie Club members and season ticket holders. To expedite your selection, please note these important notes and reminders:

- All patrons will receive a letter notifying them of their selection time when they will have an opportunity to confirm/select their seats either (1) through the online selection process or (2) via the phone with a Hokie Club/Athletics Ticket Office representative.
- During your priority selection time you will only be able to select seats that fall within the “in-priority” limits.
Men’s Basketball: The “in-priority” ticket limit for Benefactors, Century Champion, Golden Champion, Diamond and Platinum Hokies is six season tickets. The “in-priority” ticket limit for all other patrons is four season tickets.
Women’s Basketball: The “in-priority” ticket limit for all season ticket holders is six tickets.
- Season tickets exceeding priority limits will be selected apart from “in-priority” seat locations after all other seats are chosen as detailed in your selection letter.
- Customers wishing to group seat with others need to coordinate selections with the appointment time of the lowest ranked person within your group; and, at that time, each group member can log into the online system and choose your seats based on availability.
NOTE: Since all seats will be reconfirmed/selected online, each person in the group will need access to a separate computer when coordinating the location of your seats to simultaneously make your selections.
- Each group member can log in at their assigned time and check the availability of seats; and has the opportunity to make their selections at that point should they then wish to forgo their group seating based on the lowest ranked person’s selection time within the group.
NOTE: Seats cannot be held in the system to wait for a lower ranked customer to log in and select their tickets.
- **Customers will not be allowed to choose a seat location that strands a single seat.** For example, if a block of three seats remains in a row you will not be able to select two of them thereby stranding a single seat. This maximizes seating capacity in Cassell Coliseum and limits the number of unsellable single tickets.
- The Athletics Ticket Office reserves the right to move your seats one to the left or right to avoid stranding single tickets or odd numbers of seats in a row. However, this will not be utilized to move seats off an aisle or if it disturbs a block of seats “stacked” back-to-back on two rows.
- A patron who misses their appointment time by more than 30 minutes and/or fails to complete their order will be contacted by a seating representative. If the representative is unable to make contact with the customer they will reconfirm last season’s seats for renewing customers or select the best available seats for new customers. This excludes customers that have indicated they wish to group seat on the renewal / order form.
- Parking is available for qualifying members based upon their Hokie Club point priority ranking as of December 31, 2014 and automatically assigned (based on availability) for you to the corresponding lot following the seat confirmation/selection process. Parking lot assignments will be a coordinated effort between the Hokie Club and Athletics Ticket Office.
- If you need assistance making your selection via the phone with a seating representative **please notify the Hokie Club at 540-231-6618 no later than two business days before your appointment** with a number where you can be reached during your appointment time.
- Hokie Club members will retain their seats in subsequent years by maintaining an active Hokie Club membership. Should your membership become inactive or downgraded your seats will be moved to a different location the following year.

Americans with Disabilities Act (ADA) Seating & Parking

- Patrons occupying ADA locations must show the appropriate documentation annually in order to retain these seats.
NOTE: Customers not meeting this requirement will have their seats moved from the ADA location to the best available seats based upon their Hokie Club point priority ranking.
- All ADA non-wheelchair customers can select up to four seats together in an ADA location and limited to the quantity ordered by the order deadline.
- Non-wheelchair customers qualifying for ADA seating will have the ability to select available ADA seats within Cassell Coliseum. If the patron qualifies by point priority for a better seat than available ADA seats, then they may select that location.
- ADA wheelchair customers who identified a need for ADA seating and provided the appropriate documentation with their ticket order will have their account noted and receive a time to be called by the Athletics Ticket Office for assistance in selecting seats per their individual needs.
NOTE: Due to limited wheelchair-accessible seating in Cassell Coliseum, ADA wheelchair customers can only select two seats (one wheelchair and one companion) together. Any additional seats would be selected in non-ADA seats unless there is appropriate documentation indicating the need for two wheelchair ADA seats in one account.
- There are a limited number of ADA parking spaces adjacent to Cassell Coliseum in Lot 1 for ADA patrons on a game-by-game basis.
NOTE: All ADA patrons will be required to display the appropriate DMV hangtag indicating ADA parking is necessary before being granted admittance into Lot 1.

Your "Shopping Cart" for seats will appear on each subsequent page. **NOTE:** Parking is available for qualifying members based upon their Hokie Club point priority ranking as of December 31, 2014 and automatically assigned (based on availability) for you to the corresponding lot following the seat confirmation/selection process. Parking lot assignments will be a coordinated effort between the Hokie Club and Athletics Ticket Office.

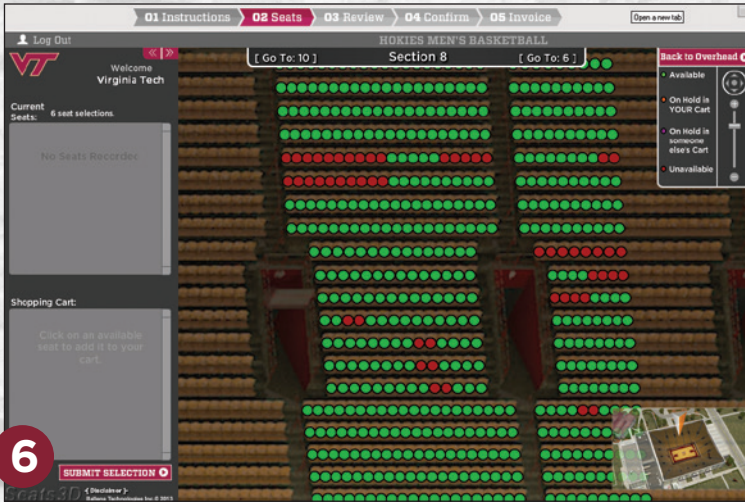

5. Go to the Map

When you have watched the video, checked out your "Shopping Cart," and reviewed the documentation, click the "View Available Seats" link to access an interactive map of Cassell Coliseum.

6. Zoom in for Details

From the interactive map, you can click on a seating area to narrow the map's presentation. You can see adjoining sections by clicking on the "Go To" buttons at the top of the section image. You can return to the overhead view of the arena by clicking on the "Back to Overhead" link at the top of the section image.

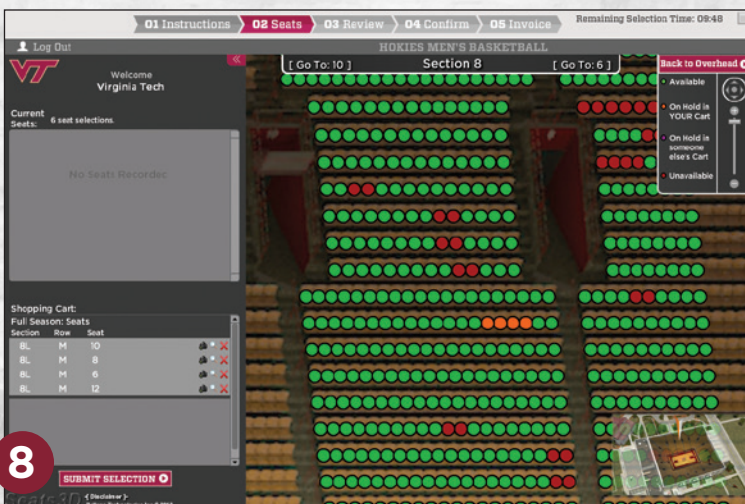

7. Check Out the View

You can see panoramic seat views by clicking on the "Seat View" icon in the appropriate areas. This will provide a view of the section from a chosen range of rows. You can return to the section by clicking on the "Back to Section" link at the top of the seat image.

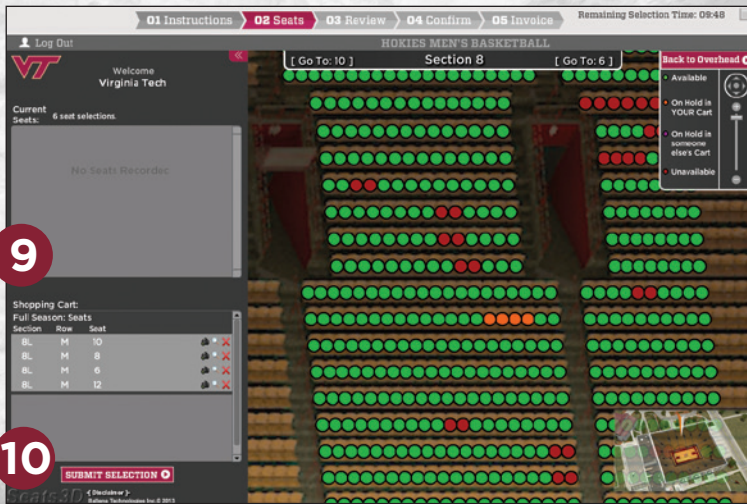

8. Find Your Seats

The section detail shows you all seats in a section. Green dots represent available seats. Red dots represent seats that are unavailable. When you select seats, the dots will turn orange.

9. Make Your Selection for Seats

Your “Shopping Cart” for seats appears at the left side of the screen. You can make your selections by clicking on any green-dot location. All completed selections will be added to your cart and the dots will turn orange. If you change your mind and want to change the location of your selection, you can unclick the original selection or click the red “X” next to the assignment in your cart.

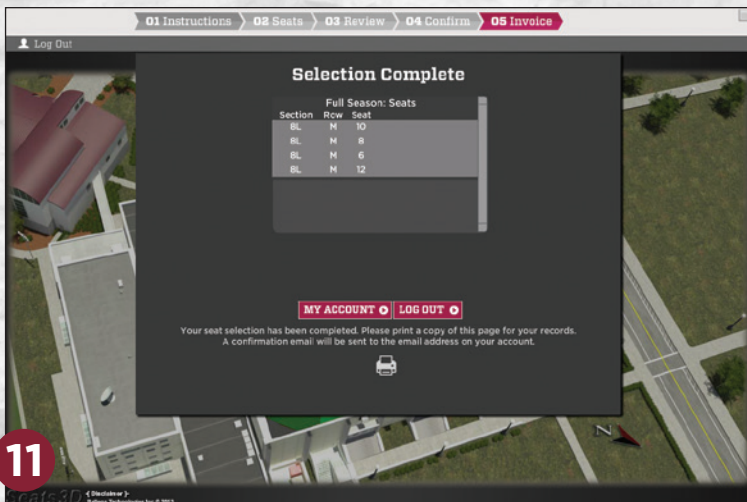

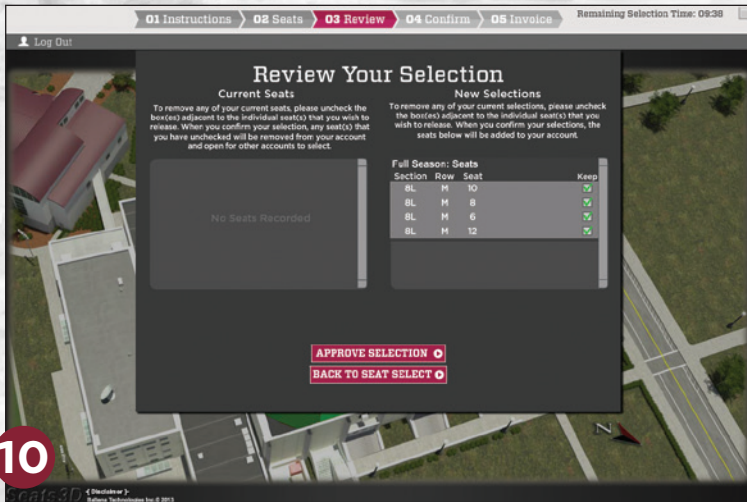

10. Finalize Your Selection

Once your Shopping Cart is “full,” finalize your selection by clicking “Submit Selection.” This will prompt you through a series of confirmation screens. On the final confirmation screen all customers will “Approve Selections.”

NOTE: Once you click “Approve Selections” of an item, SELECTION IS FINAL.

Individuals that are group seating should only submit a selection when they are ready to finalize that item. For example, you would log into the system and finalize your seat location by following the steps above at the lower ranked patron’s selection time.

11. You're All Done!

After submitting and approving your selections, you are all done. You will have an opportunity to print out your seat selections for your records. If you have tickets that are above the priority limit, you will be allowed to select those at the second time slot specified in your appointment notice.
